The following investigation was conducted by SA [redacted]  
[redacted] Columbus RA, Cincinnati Division:

On October 25, 1994, SA [redacted] responded to a report of a bank robbery that had just occurred at the COLUMBUS NATIONAL BANK (CNB), 6121 East Livingston Avenue, Columbus, Ohio. Upon arriving at CNB, the Columbus Police Department (CPD) had blocked off all of the entrances into CNB's parking lot as apparently when the unknown bank robbers left, they placed a [redacted] possibly containing an explosive device on the floor of the bank's lobby near the rear exit. CPD's Bomb Squad was on the scene as well as numerous CPD Robbery detectives. SA [redacted] met with Det. [redacted] who provided a brief summary of the facts of the bank robbery. Also present from the FBI was SA [redacted] CNB's tellers and other witnesses were escorted to the McDonald's Restaurant located immediately west of the bank, where they were interviewed by CPD detectives and FBI SAs. SA [redacted] interviewed [redacted] and customer [redacted] regarding the robbery. (See FD-302s).

b6  
b7C

Upon completion of the interviews, SA [redacted] conducted a brief neighborhood investigation, including the interview of two employees of the Active Glass business, 6009 Radekin, approximately two blocks west of CNB. [redacted] and [redacted] work phone [redacted] had observed three suspicious white males earlier in the morning walking around the front of their business near a telephone poll but did not appear to be either telephone repair men or Columbus Southern Power employees. [redacted] stated all three of the individuals were white males in their 20s with one wearing a red flannel shirt, light brown shoulder length hair, and one being stocky wearing a blue sweatshirt. [redacted] stated these individuals stayed only a couple of minutes and departed in an unknown direction. They did not observe the individuals associated with a vehicle. Upon inspection of the area where the three white males were observed walking, SA [redacted] observed two thin blue colored wires laying on the ground near the telephone poll. SA [redacted] took color photographs of the position of the wires and took the wires as possible evidence related to the explosive device found at the bank. SA [redacted] was advised of the recovery of the wires, however, they are not believed to be related to the device found at the bank.

SA [ ] briefly interviewed tellers [ ]  
[ ] who all stated they heard the unknown bank  
robbers yelling Spanish words "la bamba" and "andale". All three  
stated that because they did not see a device that could have been  
construed as a bomb in the possession of either individual, they  
assumed that the Spanish words "la bamba" referred to the song.

# Robbers leave bomb inside bank

By Brent LaLonde  
Dispatch Police Reporter

Two men dressed as construction workers apparently left a bomb as a deposit when they robbed a Far East Side bank yesterday.

The men, armed with handguns, got away with an undisclosed amount of money from the Columbus National Bank, 6181 Livingston Ave., about 11 a.m. Bank employees found a pipe bomb in a plastic lunch box after the robbers left.

"Nobody saw them bring it in, and nobody saw them leave it, but we're proceeding on the assumption that they did," FBI Special Agent Douglass C. Ogden said. The FBI and Columbus police are investigating the robbery.

The bomb looked as if it could be detonated by remote control, Columbus fire Capt. Tom Huston said.

Doral Chenoweth III/Dispatch

A Columbus bomb squad member looks at an area where a bomb was disarmed.

Bomb squad technicians disarmed the device outside the bank.

"We didn't blow it up, we just disarmed it," Huston said. "It appeared to be a very sophisticated device and, in my opinion, had the capability of causing death or serious injury."

Ogden said the robbers entered the bank and at least one jumped over the front counter and took cash from teller drawers. The robbers

escaped in a car driven by another man.

The bank manager found the lunch box on the floor near the front door, Columbus police Sgt. Mark Walker said.

The discovery of the bomb left investigators puzzled, Walker said.

"This is certainly something we consider unusual," he said.

"We're going to have to look at a few different theories on this."

The following investigation was conducted by SA [redacted]  
[redacted] at Columbus, Ohio:

On October 25, 1994 at approximately 11:10 AM, two white males entered the COLUMBUS NATIONAL BANK, 6121 East Livingston Avenue, Columbus, Ohio. Suspect one entered the bank with a silver in color pistol and stated, "This is a robbery. Get down." This suspect stayed in the lobby area of the bank pointing a weapon at the employees. Suspect two followed suspect one into the bank, and he immediately vaulted the teller counter. He pointed a blue revolver at a teller and demanded she lay down. This individual went to all the teller counters, including the drive-thru teller. The individual attempted to open as many drawers at each of the teller areas that was possible. Victim teller states she heard this suspect speak Spanish, and the words he used were, "La bamba, andale, andale." The tellers believed suspect one yelled to suspect two to hurry up. As suspect two vaulted back over the counter he stated, "We didn't get shit."

b6  
b7C

Suspects one and two exited the bank and entered a gray, four door sedan that looked like a late 70s or early 80s Chrysler New Yorker. Witnesses stated a third white male was in the vehicle. The vehicle exited the rear exit of the bank and travels southbound toward Interstate 70. The vehicle was also described as very beat-up and dirty.

# Robbers leave bomb inside bank

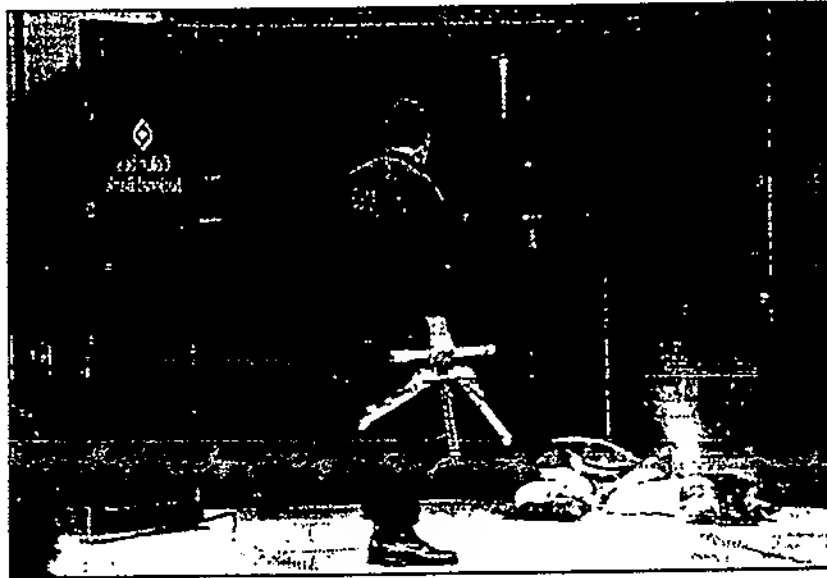

By Brent LaLonde  
Dispatch Police Reporter

Two men dressed as construction workers apparently left a bomb as a deposit when they robbed a Far East Side bank yesterday.

The men, armed with handguns, got away with an undisclosed amount of money from the Columbus National Bank, 6131 Livingston Ave., about 11 a.m. Bank employees found a pipe bomb in a plastic lunch box after the robbers left.

"Nobody saw them bring it in, and nobody saw them leave it, but we're proceeding on the assumption that they did," FBI Special Agent Douglass C. Ogden said. The FBI and Columbus police are investigating the robbery.

The bomb looked as if it could be detonated by remote control, Columbus fire Capt. Tom Huston said.

Doral Chenoweth III/Dispatch

A Columbus bomb squad member looks at an area where a bomb was disarmed.

Bomb squad technicians disarmed the device outside the bank.

"We didn't blow it up, we just disarmed it," Huston said. "It appeared to be a very sophisticated device and, in my opinion, had the capability of causing death or serious injury."

Ogden said the robbers entered the bank and at least one jumped over the front counter and took cash from teller drawers. The robbers

escaped in a car driven by another man.

The bank manager found the lunch box on the floor near the front door, Columbus police Sgt. Mark Walker said.

The discovery of the bomb left investigators puzzled, Walker said.

"This is certainly something we consider unusual," he said.

"We're going to have to look at a few different theories on this."

Franklin County's newest "most wanted" poster of child support scofflaws, unveiled yesterday, is already one-tenth successful.

Upon arrival at Odd Lots, I was met by the manager and an employee of the store. The manager explained that the employee had been emptying trash cans from the sidewalk area in front of the store when he saw something that caught his eye. The employee picked up the object and realized that it was a bomb. He placed the object back into the trash can and called the manager.

Odd Lots trash cans consist of an outer container with a removable barrel inside. The employee had already removed the liner (barrel) and placed it on a two-wheeled dolly when he saw the object. Because the barrel was on the dolly and it was sitting in front of the doors to the store the manager wheeled it to the east end of the sidewalk.

Lt. [ ] looked at the device and observed the following: what appeared to

Lt. [ ] called the Police Dept and asked for more officers and the bomb disposal team. I then advised the Odd Lots manager, the Bank One Manager, and the manager of McDonalds that we had what appeared to be a bomb and we would be treating the situation as if it is a real explosive. The managers were advised that they should close their business and evacuate. A perimeter of Police Line Tape was then set up near the bomb. As other officers arrived and we were able to clear more vehicles from the parking lot an outer perimeter was established.

The Athens Fire Department, SEOEMS, The Ohio Highway Patrol, and the U.S. Army's 71st Ordnance Detachment were all called for assistance. Ohio University Police Dept was called and asked to respond if we had any other emergency calls in the city.

At approximately 1230 hrs the EOD Team arrived and took charge of the bomb. The EOD Team rendered the device inoperative, and then x-rayed it as a safety precaution. When the EOD Team felt that the device was safe they dismantled it and turned it over to the police dept.

## PRESS RELEASE

At 0853 hrs on December 9, 1994 the Athens Police Department received a call from employees at Odd Lots, located in the Plaza Shopping Center on East State St. in Athens. The Odd Lots employees had found an object in a trash can which appeared to be an explosive device. Lt. Gray responded to the scene and was shown the device. The device did appear to be a bomb. Other officers were called to the scene and a perimeter was established for safety. An Explosive Ordnance Disposal Team was dispatched from the U.S. Army's 71st Ordnance Detachment at Wright-Patterson Air Force Base to handle the actual device. The Athens Fire Department, and S.E.O.E.M.S. were called to the scene to stand-by in case the device exploded. The Ohio Highway Patrol provided assistance in escorting the E.O.D. Team to the area and in helping with traffic. A representative from the F.B.I. was on the scene due to the proximity to a bank.

While officers were waiting for the E.O.D. Team to arrive, the following businesses were evacuated: McDonalds, Odd Lots, Bank One, and the Plaza Barber Shop. An expanded safety zone was established as the evacuation took place. When the E.O.D. Team arrived and examined the device it was decided that there was a strong probability that the device was in fact a bomb. The E.O.D. Team had a larger area cleared, which meant that Long John Silvers had to be evacuated. A portion of East State St. had to be closed to traffic and spectators were removed from the Kroger parking lot. The E.O.D. Team disarmed the device with a small dispersion charge, and then took x-rays of the package. Once the device was pronounced safe, it was dismantled. The device proved to be an elaborate hoax.

The incident is under investigation by the Athens Police Department who will also be consulting the Bureau of Alcohol Tobacco and Firearms.

# Bomb hoax ties up East State area

By Andrea Caruso  
Athens NEWS Writer

The Athens Police Department is calling a bomb threat at the Odd Lots store on East State Street Friday an "elaborate hoax" that closed down a handful of stores, part of a main roadway, and drew police, fire and other emergency crews from around the state.

"We had what we believed to be a bomb," Athens Police Chief Rick Mayer said immediately after the site was declared safe. He explained that the department had to assume that the device could detonate, and treat the incident as a dangerous situation.

Police would not provide details about the suspected bomb, or explain why it was determined to be a hoax after initially thought to be the real thing. Investigators' reluctance to go into detail could be because they intend to use such details in questioning any possible suspects.

The bomb scare began at about 9 a.m. Friday, when an Odd Lots employee was emptying a trash can in front of the store and found what he believed to be a bomb, said David J. Miglin, district assets protection manager for Consolidated Stores, which includes Odd Lots. Odd Lots then called the APD, and Lt. Gray confirmed at the scene that the device appeared to be a bomb, according to an APD press release.

No one actually called Odd Lots or any police departments with a bomb threat, and there are no suspects at this time. Miglin called the East State Street store "quiet" with no apparent problems that might have led to such an incident.

With stand-by assistance from the Athens Fire Department, SEOEMS, the Athens County Sheriff's Office and the State Highway Patrol, the APD roped off a danger area in front of the Odd Lots store. Police evacuated Odd Lots, as well as neighboring stores the Plaza Barber Shop, Bank One, and McDonald's. A portion of East State Street in front of Kroger was closed off. At about 1:15 p.m., police expanded the danger zone, evacuated Long John Silver's restaurant and blocked off a longer portion of the street.

The actual bomb deactivation was handled by the U.S. Army's Explosive

Ordinance Detachment (EOD) Team from Wright Patterson Air Force Base in Dayton. They drove in an unmarked truck to the scene. At about 1:30 p.m., an EOD member strung a rope around the garbage can that held the alleged bomb, and tipped over the trash-filled can from a distance.

The team took X-rays of the object, then ignited a small explosive, intended to deactivate the suspected bomb, that sounded like a firecracker. At 2:35 p.m., the bomb squad determined the device and surrounding site was safe, and began to clean up the area and collect additional evidence from the trash.

The APD is continuing its probe into the incident, in consultation with the federal Bureau of Alcohol, Tobacco and Firearms, according to the police press release.

The above items were recovered by the Athens, Ohio, Police Department (PD) on 12/9/94. The items were recovered at an ODD LOTS, 918 East State Street, Athens, Ohio. The hoax device was recovered intact in a trash container outside of the ODD LOTS door. The Athens PD contacted the EOD team based out of Wright Patterson Air Force Base in Dayton, Ohio. The Wright Patterson EOD team RSP'd the enclosed device using a fifty caliber dearmer.

This evidence is being submitted due to similarities to earlier devices that were submitted to the FBI Laboratory Explosives Unit involving a group of individuals that are using an MO of leaving a hoax device or improvised explosive device in banks during the commission or after the commission of bank robberies. After talking to the Athens PD it was determined that the ODD LOTS STORE was approximately 75 feet from a BANK ONE in Athens, Ohio. It is felt that the possibility exists that the hoax device was going to be used in a bank robbery but was dropped in the trash can due to the fact that the ODD LOTS STORE received no extortionate threats concerning the recovered device.

In addition to comparing the enclosed evidence to file numbers 91A-KC-73393, 91A-CI-63809, 91A-KC-73578, 91A-OM-40795, 91A-KC-73953, 91A-CV-52143, 91A-MW-31210 and 91A-SL-179326 the enclosed evidence should also be compared to any other hoax devices that were recovered in bank robberies in the state of Iowa.

## ARMED AND DANGEROUS

This memo is being submitted in regards to a memo that was received from ECT [REDACTED] dated 2/17/95.

Approximately two weeks prior to 2/14/95, the writer telephonically contacted ECT [REDACTED] concerning evidence in the above captioned matter. She advised that she would be in Columbus on the following day and would discuss the evidence with the writer. The next day, ECT [REDACTED] was asked if she would like to take the FD-192 concerning evidence acquired on 12/16/94 back to Cincinnati. It was explained to ECT [REDACTED] that the evidence was taken into custody so that it could be submitted to the FBI Laboratory and that was going to take place within the next week or so. In addition to evidence in the above captioned matter evidence from file 87B-OM-41196 was discussed with ECT [REDACTED]. This evidence was going to be sent to Omaha for upcoming grand jury in this case. ECT [REDACTED] was asked, if the writer could submit the FD-192's from the respective cases to her after the evidence was shipped to its respective destinations. That way the FD-192's would reflect the evidence being shipped from the Cincinnati Division and the registered mail numbers that the evidence was shipped under.

b6  
b7C

In both cases ECT [REDACTED] advised that the FD-192's could be submitted to her through the Bureau mail after the evidence was shipped to its respective destinations.

AT APPROXIMATELY 1:55 PM ON 5/24/95 THREE (3) INDIVIDUALS ROBBED CAPTIONED BANK UTILIZING AN IED AND IT APPEARS THAT THEY ARE THE SAME INDIVIDUALS AS SET OUT IN REFERENCED TELETYPE DATED 11/16/94.

TWO INDIVIDUALS ENTERED THE FRONT DOOR OF THE BANK, WHICH IS LOCATED IN A COMMERCIAL DISTRICT IN A SUBURB. BOTH INDIVIDUALS WERE WEARING DARK BLUE WORKMAN'S PANTS, SHIRTS AND JACKETS, DARK BLUE BASEBALL CAPS, AND EACH HAD A MASK (ONE A BLUE BANDANA AND THE OTHER A CAMOUFLAGE BANDANA) ACROSS THE LOWER PORTION OF HIS FACE. UNSUB # 1 IMMEDIATELY VAULTED THE COUNTER TELLING ALL THE EMPLOYEES TO GET ON THE FLOOR AND THEY WOULD NOT BE HARMED. HE BRANDISHED A SEMI-AUTOMATIC WEAPON. HE OPENED ALL FOUR (4) DRAWERS OF THE TELLERS' CAGES, SCOOPING THE MONEY OUT WITH HIS RIGHT HAND AND PUTTING IT INTO A BLACK BAG. HE THEN IMMEDIATELY VAULTED THE COUNTER AND EXITED THE BANK. AS HE WAS LEAVING HE TOLD THE EMPLOYEES THERE WAS A BOMB AND FOR THEM NOT TO COME NEAR IT OR COME NEAR THE WINDOWS OR IT WOULD EXPLODE. THE SECOND UNSUB IN THE BANK SPOKE WHAT WAS BELIEVED TO BE SPANISH AND TELLERS INTERVIEWED INDICATED UNSUB # 1 SPOKE WITH A SPANISH ACCENT; HOWEVER, IT IS NOT BELIEVED THE MALES WERE HISPANIC. ON 5/24/95, THE GETAWAY CAR WAS LOCATED BY BUAGENTS IN A

WHICH HAD BEEN PURCHASED APPROXIMATELY ONE WEEK PRIOR TO THE  
ROBBERY AT A LOUISVILLE, KY., USED CAR LOT. THIS VEHICLE IS

BANK EMPLOYEE WITNESSES DESCRIBED BOTH SUBJECTS AS WHITE MALES, 5' 10" TALL, MEDIUM BUILD. THE POSSIBLE THIRD UNSUB WAS NOT SEEN BY THE BANK PERSONNEL, BUT TWO INDIVIDUALS WHO SAW THE VEHICLE DEPARTING THE BANK BELIEVED THERE WERE THREE PEOPLE IN THE CAR. IT IS BELIEVED THAT THESE SAME INDIVIDUALS ARE RESPONSIBLE FOR AT LEAST FOURTEEN (14) BANK ROBBERIES DURING THE PAST SIXTEEN (16) MONTHS. IEDS ARE NORMALLY LEFT AT EACH ROBBERY; OLD VEHICLES ARE PURCHASED APPROXIMATELY ONE WEEK PRIOR TO THE ROBBERY; AND, THE ROBBERIES SEEMED WELL PLANNED AND EXECUTED. IN THIS PARTICULAR ROBBERY, [REDACTED] WAS OBTAINED. WHILE NO DEVICE WAS PLANTED IN THE GLOVEBOX OF THE VEHICLE, [REDACTED] SIMILAR TO THE TYPE USED IN THE BOMB WAS ATTACHED INSIDE THE GLOVEBOX TO APPARENTLY SIMULATE A "BOOBY-TRAP."

BANK ROBBERIES - MIDWESTERN REGION

Enclosed for all receiving offices are the following: one (1) list and one (1) matrix identifying commonalities existing in bank robberies (BR) which have occurred in receiving offices.

For information of receiving offices, there have been a number of BRs which have occurred in the midwestern region of the United States since January, 1994. It is suspected that they are being committed by the same persons or group, based on the commonalities in the modus operandi. Some of these commonalities are as follows: The utilization of explosive devices including grenades; get-away vehicles, which have been purchased through used car dealerships; and subjects who were disguised in hard hats and/or ski masks.

It is suggested that all field offices involved conduct careful review of their case files to insure that no other commonalities exist. Any new issues regarding commonalities existing between these BRs will be discussed at the upcoming conference at Louisville, Kentucky on 8/3/95.

AT APPROXIMATELY 10:12 A.M. ON AUGUST 16, 1995, THREE INDIVIDUALS ROBBED A BRANCH OF THE MAGNA BANK, LOCATED IN BRIDGETON, MISSOURI, A SUBURB OF ST. LOUIS. THE BRANCH WAS A FREE STANDING STRUCTURE LOCATED ON THE LOT OF A STRIP MALL, APPROXIMATELY ONE HALF MILE FROM THE ON RAMP TO INTERSTATE 270.

TWO WHITE MALES ENTERED THE FRONT DOOR OF THE BANK CARRYING AUTOMATIC WEAPONS AND A PLASTIC PAIL. THEY IMMEDIATELY STARTED YELLING FOR EVERYONE TO GET TO THE FLOOR. ONE SUBJECT ATTEMPTED TO OPEN A LOCKED DOOR LEADING FROM THE LOBBY TO THE AREA BEHIND THE TELLER COUNTER. WHEN THE DOOR WOULD NOT OPEN, THIS SUBJECT VAULTED THE TELLER COUNTER, WHILE THE SECOND SUBJECT REMAINED IN THE LOBBY AREA. THE FIRST SUBJECT OPENED ALL UNLOCKED TELLER DRAWERS AND REMOVED CURRENCY FROM THEM. DYE PACKS WERE REMOVED; HOWEVER, WERE

LEFT LYING ON THE FLOOR BEHIND THE TELLER COUNTER, ALONG WITH A VARIETY OF LOOSE CURRENCY.

ALTHOUGH BOTH SUBJECTS WERE DESCRIBED AS BEING WHITE AND INITIALLY TALKING WITHOUT ACCENTS, ONE SUBJECT USED THE NAME "SANCHEZ" IN REFERRING TO HIS COLLEAGUE AND USED THE PHRASE "ANDELE ANDELE" IN AN APPARENT ATTEMPT TO SPEED UP THE DEPARTURE. AFTER THE SUBJECT JUMPED BACK OVER THE COUNTER, A

WAS PLACED ON THE FLOOR OF THE LOBBY. THE RUBBERMAID PAIL, WHICH WAS CARRIED INTO THE BANK, WAS LEFT NEARBY.

AS THE TWO SUBJECTS FLED, THEY SET OFF A SMOKE GRENADE IN THE LOBBY VESTIBULE, CAUSING GREEN SMOKE TO FILL THE BANK. THE TWO SUBJECTS THEN RAN TO A MUSTARD YELLOW COLORED CAR, THAT WAS BEING DRIVEN BY A THIRD SUBJECT. THIS VEHICLE PULLED UP JUST AS THE TWO SUBJECTS FLED THE BANK. THE VEHICLE THEN DEPARTED THE BANK WEST ON THE STRIP MALL LOT.

A CREAM COLORED 1978 FORD FAIRMONT WAS SUBSEQUENTLY LOCATED BEHIND THE STRIP MALL. A GRENADE PIN WAS OBSERVED HANGING FROM THE DIRECTIONAL SIGNAL LEVER.

ST. LOUIS COUNTY POLICE BOMB AND ARSON INVESTIGATORS

WERE ALSO OBSERVED. AFTER ENCASING THE AREA WITH SAND BAGS, A SLUG WAS FIRED INTO ONE END OF THE DEVICE, WHICH DISLOCATED THE CAP AT THE OTHER END. A BRIEF FLAME RESULTED; HOWEVER, EXTINGUISHED ITSELF. THE DEVICE WAS RECOVERED RELATIVELY INTACT, WITH THE EXCEPTION OF THE ONE END CAP, AND IS BEING FORWARDED TO THE EXPLOSIVES UNIT, ALONG WITH TWO OF THE SANDBAGS, FOR EXAMINATION.

THE BANK WAS THEN PROCESSED BY THE ST. LOUIS ERT TEAM. FINGERPRINTS AND FOOTPRINTS, INCLUDING A FOOTPRINT TAKEN FROM ATOP THE TELLER COUNTER WERE RECOVERED. ITEMS TO BE SUBMITTED TO THE FBI LABORATORY.

THE FORD FAIRMONT WAS THEN RENDERED SAFE BY THE ST. LOUIS COUNTY POLICE DEPARTMENT EXPLOSIVES UNIT. OTHER THAN THE GRENADE PIN LOCATED ON THE DIRECTIONAL SIGNAL LEVER, NO OTHER DEVICES WERE LOCATED. THE VEHICLE WAS TOWED AND WILL BE PROCESSED BY THE ST. LOUIS ERT TEAM ON AUGUST 17, 1995.

INITIAL INSPECTION OF THE VEHICLE REVEALED AN AUGUST

**Synopsis:** Information regarding series of bank robberies occurring in the Midwest involving the use of explosive devices.

**Administrative:** This communication provides all divisions with information regarding an ongoing investigation of numerous bank robberies that have occurred in the Midwest. It has been determined that these robberies are being conducted by the same subjects based on commonalities that exist in the Modus Operandi and descriptions. One of the most significant of these commonalities involves the consistent use of explosive devices which are usually left in the bank by the robbers. On several occasions these devices have also been used to booby trap abandoned getaway vehicles.

To date seven field divisions have experienced robberies conducted by these individuals. A total of 17 robberies have taken place. FBI Louisville hosted a conference on 8/3/95, which was attended by case agents from affected divisions, Criminal Investigative Division (CID), FBIHQ, representatives, and state and Local investigators also assigned this matter.

Accompanying this communication are composites of the suspects. All divisions are requested to review past, current, and future cases for possible association with these robberies.
